Nineteenth Annual Yuma Area Ammonia Safety Day

Safety training - to enhance the awareness and preparedness within our community.

For: Refrigeration operators and technicians, first responders, safety professionals, business owners and employees.

Thursday, February 16, 2023
Yuma Civic Center -

1440 W. Desert Hills Drive
Yuma

NEW DATE !!
SAME PLACE !!
NEW TOPICS!!

No Admission Fee

Sponsored by local businesses and Yuma area agencies

REGISTER AT: WWW.YAASD.COM after January 5, 2023

Focus on the Operation

Presentations for operators and technicians geared toward understanding the system

Focus on Response

Responding to ammonia calls presented by an experienced first responder

Focus on Management

Lessons that are being learned regarding regulatory compliance to be presented

Featuring Speakers, Exhibits, and Workshops that provide relevant and useful information for the manager of the ammonia using facility, and the emergency responders throughout the area.

Accidental ammonia releases can happen anywhere from a produce cooling facility - to a rail / vehicle collision - to illegal drug operations. Come learn about sustaining your safe use of ammonia.

See you at the Yuma Civic Center – February 16, 2023

Doors Open at 7:00 AM Mountain Time

Register at: WWW.YAASD.COM after January 5, 2023
